## Product Datasheet

### **GCM1 Antibody - N-terminal region : HRP (P100836\_P050-HRP), Rabbit, Polyclonal** **ASB-P100836\_P050-HRP**

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Article Name               | GCM1 Antibody - N-terminal region : HRP (P100836_P050-HRP), Rabbit, Polyclonal            |
| Biozol Catalog Number      | ASB-P100836_P050-HRP                                                                      |
| Supplier Catalog Number    | P100836_P050-HRP                                                                          |
| Alternative Catalog Number | ASB-P100836_P050-HRP-100UL                                                                |
| Manufacturer               | Aviva                                                                                     |
| Host                       | Rabbit                                                                                    |
| Category                   | Antikörper                                                                                |
| Application                | IHC, WB                                                                                   |
| Species Reactivity         | Canine, Human, Mouse, Rat                                                                 |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the N terminal region of human GCM1 |
| Conjugation                | HRP                                                                                       |
| Clonality                  | Polyclonal                                                                                |
| Concentration              | 0.5 mg/ml                                                                                 |
| Molecular Weight           | 49kDa                                                                                     |
| NCBI                       | <a href="#">8521</a>                                                                      |
| UniProt                    | <a href="#">Q9NP62</a>                                                                    |

|      |                                                                                                     |
|------|-----------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody is supplied in high phosphate PBS, 100 mm phosphate, 150 mM NaCl, pH 7.6. |
