## Product Datasheet

### **MEF2C Antibody - middle region : HRP (P100852\_P050-HRP), Rabbit, Polyclonal** **ASB-P100852\_P050-HRP**

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| Article Name               | MEF2C Antibody - middle region : HRP (P100852_P050-HRP), Rabbit, Polyclonal            |
| Biozol Catalog Number      | ASB-P100852_P050-HRP                                                                   |
| Supplier Catalog Number    | P100852_P050-HRP                                                                       |
| Alternative Catalog Number | ASB-P100852_P050-HRP-100UL                                                             |
| Manufacturer               | Aviva                                                                                  |
| Host                       | Rabbit                                                                                 |
| Category                   | Antikörper                                                                             |
| Application                | WB                                                                                     |
| Species Reactivity         | Canine, Equine, Human, Mouse, Porcine, Rabbit, Rat, Zebrafish                          |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the middle region of human MEF2C |
| Conjugation                | HRP                                                                                    |
| Clonality                  | Polyclonal                                                                             |
| Concentration              | 0.5 mg/ml                                                                              |
| Molecular Weight           | 51kDa                                                                                  |
| NCBI                       | <a href="#">4208</a>                                                                   |
| UniProt                    | <a href="#">Q06413</a>                                                                 |

|      |                                                                                                     |
|------|-----------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody is supplied in high phosphate PBS, 100 mm phosphate, 150 mM NaCl, pH 7.6. |
