| Alternative Catalog Number | ASB-ARP35795_P050-25UL,ASB-ARP35795_P050-100UL                                                                       |
| Manufacturer               | Aviva                                                                                                                |
| Host                       | Rabbit                                                                                                               |
| Category                   | Proteine/Peptide                                                                                                     |
| Application                | WB                                                                                                                   |
| Species Reactivity         | Human                                                                                                                |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the N terminal region of human ZNF230                          |
| Product Description        | Located on chromosome 19, ZNF230 is part of a ZNF gene cluster that encodes Kruppel-associated box (KRAB) motifs.... |
| Clonality                  | Polyclonal                                                                                                           |
| Concentration              | 0.5 mg/ml                                                                                                            |
| Molecular Weight           | 54kDa                                                                                                                |
| NCBI                       | <a href="#">7773</a>                                                                                                 |
| UniProt                    | <a href="#">Q9UIE0</a>                                                                                               |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
