| Manufacturer               | Aviva                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                |
| Category                   | Proteine/Peptide                                                                                                                                                                      |
| Application                | WB                                                                                                                                                                                    |
| Species Reactivity         | Human                                                                                                                                                                                 |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the N terminal region of human ZNF550                                                                                           |
| Product Description        | ZNF550 contains 1 KRAB domain and 8 C2H2-type zinc fingers. ZNF550 belongs to the krueppel C2H2-type zinc-finger protein family and may be involved in transcriptional regulation.... |
| Clonality                  | Polyclonal                                                                                                                                                                            |
| Concentration              | 0.5 mg/ml                                                                                                                                                                             |
| Molecular Weight           | 47kDa                                                                                                                                                                                 |
| NCBI                       | <a href="#">162972</a>                                                                                                                                                                |
| UniProt                    | <a href="#">Q7Z398</a>                                                                                                                                                                |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
