| Article Name               | ZNF596 Antibody - C-terminal region                                                                                       |
| Biozol Catalog Number      | ASB-ARP36232_P050                                                                                                         |
| Supplier Catalog Number    | ARP36232_P050                                                                                                             |
| Alternative Catalog Number | ASB-ARP36232_P050-25UL,ASB-ARP36232_P050-100UL                                                                            |
| Manufacturer               | Aviva                                                                                                                     |
| Host                       | Rabbit                                                                                                                    |
| Category                   | Proteine/Peptide                                                                                                          |
| Application                | WB                                                                                                                        |
| Species Reactivity         | Bovine, Canine, Equine, Goat, Human, Porcine, Rabbit, Zebrafish                                                           |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the C terminal region of human ZNF596                               |
| Product Description        | ZNF596 belongs to the krueppel C2H2-type zinc-finger protein family and may be involved in transcriptional regulation.... |
| Clonality                  | Polyclonal                                                                                                                |
| Concentration              | 0.5 mg/ml                                                                                                                 |
| Molecular Weight           | 58kDa                                                                                                                     |
| NCBI                       | <a href="#">169270</a>                                                                                                    |
| UniProt                    | <a href="#">Q8TC21</a>                                                                                                    |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
