## Product Datasheet

### **BRDT Antibody - N-terminal region : HRP (ARP38071\_P050-HRP), Rabbit, Polyclonal** **ASB-ARP38071\_P050-HRP**

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Article Name               | BRDT Antibody - N-terminal region : HRP (ARP38071_P050-HRP), Rabbit, Polyclonal           |
| Biozol Catalog Number      | ASB-ARP38071_P050-HRP                                                                     |
| Supplier Catalog Number    | ARP38071_P050-HRP                                                                         |
| Alternative Catalog Number | ASB-ARP38071_P050-HRP-100UL                                                               |
| Manufacturer               | Aviva                                                                                     |
| Host                       | Rabbit                                                                                    |
| Category                   | Antikörper                                                                                |
| Application                | WB                                                                                        |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat                             |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the N terminal region of human BRDT |
| Conjugation                | HRP                                                                                       |
| Clonality                  | Polyclonal                                                                                |
| Concentration              | 0.5 mg/ml                                                                                 |
| Molecular Weight           | 108kDa                                                                                    |
| NCBI                       | <a href="#">676</a>                                                                       |
| UniProt                    | <a href="#">Q58F21</a>                                                                    |

|      |                                                                                                     |
|------|-----------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody is supplied in high phosphate PBS, 100 mm phosphate, 150 mM NaCl, pH 7.6. |
