## Product Datasheet

### **ARFGAP2 Antibody - N-terminal region : HRP (ARP39695\_P050-HRP), Rabbit, Polyclonal ASB-ARP39695\_P050-HRP**

|                            |                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------|
| Article Name               | ARFGAP2 Antibody - N-terminal region : HRP (ARP39695_P050-HRP), Rabbit, Polyclonal           |
| Biozol Catalog Number      | ASB-ARP39695_P050-HRP                                                                        |
| Supplier Catalog Number    | ARP39695_P050-HRP                                                                            |
| Alternative Catalog Number | ASB-ARP39695_P050-HRP-100UL                                                                  |
| Manufacturer               | Aviva                                                                                        |
| Host                       | Rabbit                                                                                       |
| Category                   | Antikörper                                                                                   |
| Application                | WB                                                                                           |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish                     |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the N-terminal region of human ARFGAP2 |
| Conjugation                | HRP                                                                                          |
| Clonality                  | Polyclonal                                                                                   |
| Concentration              | 0.5 mg/ml                                                                                    |
| Molecular Weight           | 42kDa                                                                                        |
| NCBI                       | <a href="#">84364</a>                                                                        |
| UniProt                    | <a href="#">G5E9L0</a>                                                                       |

|      |                                                                                                     |
|------|-----------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody is supplied in high phosphate PBS, 100 mm phosphate, 150 mM NaCl, pH 7.6. |
