| Species Reactivity         | Mouse                                                                                                                                                                                                                                                         |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the C terminal region of mouse OLFR470                                                                                                                                                                  |
| Product Description        | Olfactory receptors interact with odorant molecules in the nose, to initiate a neuronal response that triggers the perception of a smell. The olfactory receptor proteins are members of a large family of G-protein-coupled receptors (GPCR) arising from... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 35 kDa                                                                                                                                                                                                                                                        |
| NCBI                       | <a href="#">258417</a>                                                                                                                                                                                                                                        |
| UniProt                    | <a href="#">Q8VF66</a>                                                                                                                                                                                                                                        |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
