| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | WB                                                                                                                                                                                                                                                            |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the N terminal region of human RCC1                                                                                                                                                                     |
| Product Description        | Guanine-nucleotide releasing factor that promotes the exchange of Ran-bound GDP by GTP, and thereby plays an important role in RAN-mediated functions in nuclear import and mitosis. Contributes to the generation of high levels of chromosome-associated... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 46 kDa                                                                                                                                                                                                                                                        |
| NCBI                       | <a href="#">1104</a>                                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">P18754</a>                                                                                                                                                                                                                                        |

Form

Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.
