| Manufacturer               | Aviva                                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                                       |
| Category                   | Proteine/Peptide                                                                                                                                                             |
| Application                | IHC, WB                                                                                                                                                                      |
| Species Reactivity         | Human                                                                                                                                                                        |
| Immunogen                  | This ASMT antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 212-241 amino acids from the Central region of human ASMT.            |
| Clonality                  | Polyclonal                                                                                                                                                                   |
| Concentration              | Approximately 0.5mg/ml. Actual concentration varies with each lot.                                                                                                           |
| Molecular Weight           | 38453 Da                                                                                                                                                                     |
| NCBI                       | <a href="#">438</a>                                                                                                                                                          |
| UniProt                    | <a href="#">P46597</a>                                                                                                                                                       |
| Form                       | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |
