| Manufacturer               | Aviva                                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                                       |
| Category                   | Proteine/Peptide                                                                                                                                                             |
| Application                | WB                                                                                                                                                                           |
| Species Reactivity         | Human                                                                                                                                                                        |
| Immunogen                  | This PIK3CG antibody is generated from rabbits immunized with human PIK3CG Recombinant Protein.                                                                              |
| Clonality                  | Polyclonal                                                                                                                                                                   |
| Concentration              | Approximately 0.5mg/ml. Actual concentration varies with each lot.                                                                                                           |
| Molecular Weight           | 126454 Da                                                                                                                                                                    |
| NCBI                       | <a href="#">5294</a>                                                                                                                                                         |
| UniProt                    | <a href="#">P48736</a>                                                                                                                                                       |
| Form                       | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |
