## Product Datasheet

### **C6orf134 Antibody - middle region : HRP (ARP42643\_P050-HRP), Rabbit, Polyclonal** **ASB-ARP42643\_P050-HRP**

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Article Name               | C6orf134 Antibody - middle region : HRP (ARP42643_P050-HRP), Rabbit, Polyclonal           |
| Biozol Catalog Number      | ASB-ARP42643_P050-HRP                                                                     |
| Supplier Catalog Number    | ARP42643_P050-HRP                                                                         |
| Alternative Catalog Number | ASB-ARP42643_P050-HRP-100UL                                                               |
| Manufacturer               | Aviva                                                                                     |
| Host                       | Rabbit                                                                                    |
| Category                   | Antikörper                                                                                |
| Application                | WB                                                                                        |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat                             |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the middle region of human C6orf134 |
| Conjugation                | HRP                                                                                       |
| Clonality                  | Polyclonal                                                                                |
| Concentration              | 0.5 mg/ml                                                                                 |
| Molecular Weight           | 36kDa                                                                                     |
| NCBI                       | <a href="#">79969</a>                                                                     |
| UniProt                    | <a href="#">Q5SQI0</a>                                                                    |

|      |                                                                                                     |
|------|-----------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody is supplied in high phosphate PBS, 100 mm phosphate, 150 mM NaCl, pH 7.6. |
