| Article Name               | C20ORF85 Antibody - middle region : Biotin (ARP53362_P050-Biotin),<br>Rabbit, Polyclonal  |
| Biozol Catalog Number      | ASB-ARP53362_P050-BIOTIN                                                                  |
| Supplier Catalog Number    | ARP53362_P050-Biotin                                                                      |
| Alternative Catalog Number | ASB-ARP53362_P050-BIOTIN-100UL                                                            |
| Manufacturer               | Aviva                                                                                     |
| Host                       | Rabbit                                                                                    |
| Category                   | Antikörper                                                                                |
| Application                | WB                                                                                        |
| Species Reactivity         | Human                                                                                     |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the middle<br>region of human CT085 |
| Conjugation                | Biotin                                                                                    |
| Clonality                  | Polyclonal                                                                                |
| Concentration              | 0.5 mg/ml                                                                                 |
| Molecular Weight           | 15 kDa                                                                                    |
| NCBI                       | <a href="#">128602</a>                                                                    |
| UniProt                    | <a href="#">Q9H1P6</a>                                                                    |

Form

Liquid. Purified antibody supplied in 1x PBS buffer.
