| Alternative Catalog Number | ASB-OAEB01852-100UG                                                                                                                                        |
| Manufacturer               | Aviva                                                                                                                                                      |
| Host                       | Goat                                                                                                                                                       |
| Category                   | Proteine/Peptide                                                                                                                                           |
| Application                | WB                                                                                                                                                         |
| Species Reactivity         | Bovine, Canine, Human, Mouse, Rat                                                                                                                          |
| Immunogen                  | SLC4A11                                                                                                                                                    |
| Clonality                  | Polyclonal                                                                                                                                                 |
| Concentration              | 0.5 mg/ml                                                                                                                                                  |
| Molecular Weight           | 99.6                                                                                                                                                       |
| NCBI                       | <a href="#">269356</a> , <a href="#">83959</a> , <a href="#">311423</a>                                                                                    |
| Purity                     | Purified from goat serum by ammonium sulphate precipitation followed by antigen affinity chromatography using the immunizing peptide.                      |
| Form                       | Supplied at 0.5 mg/ml in Tris saline, 0.02% sodium azide, pH7.3 with 0.5% bovine serum albumin. Aliquot and store at -20AC. Minimize freezing and thawing. |
