| Article Name               | KLK8 Capture Antibody                                                                           |
| Biozol Catalog Number      | ASB-OAOA21622                                                                                   |
| Supplier Catalog Number    | OAOA21622                                                                                       |
| Alternative Catalog Number | ASB-OAOA21622-100UG                                                                             |
| Manufacturer               | Aviva                                                                                           |
| Host                       | Mouse                                                                                           |
| Category                   | Proteine/Peptide                                                                                |
| Application                | ELISA, Multiplex Assay                                                                          |
| Species Reactivity         | Human                                                                                           |
| Immunogen                  | Full length human recombinant protein of human KLK8(NP_009127) produced in HEK293T cell.        |
| Product Description        | Homo sapiens kallikrein related peptidase 8 (KLK8), transcript variant 1, mRNA, Kallikrein-8... |
| Clonality                  | Monoclonal                                                                                      |
| Concentration              | 0.5 mg/ml                                                                                       |
| Clone Designation          | [OTI3C10]                                                                                       |
| Isotype                    | IgG1                                                                                            |
| NCBI                       | <a href="#">11202</a>                                                                           |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Form               | Stored in PBS (pH 7.4) containing 0.05% sodium azide and up to 5% trehalose |
| Application Dilute | 1:100 - 1:1000                                                              |
