| Manufacturer               | Aviva                                                                                                                                                                                                                                   |
| Host                       | Human                                                                                                                                                                                                                                   |
| Category                   | Proteine/Peptide                                                                                                                                                                                                                        |
| Species Reactivity         | Human                                                                                                                                                                                                                                   |
| Product Description        | Ceramide transfer protein, Collagen type IV alpha-3-binding protein, collagen type IV alpha-3-binding protein isoform 2 [Homo sapiens], Homo sapiens collagen type IV alpha 3 binding protein (COL4A3BP), transcript variant 2, mRNA... |
| Molecular Weight           | 67.8 kDa                                                                                                                                                                                                                                |
| Tag                        | C-MYC/DDK                                                                                                                                                                                                                               |
