| Category                   | Proteine/Peptide                                                                                                                                                                                                                             |
| Species Reactivity         | Human                                                                                                                                                                                                                                        |
| Product Description        | Homo sapiens phosphoinositide-3-kinase regulatory subunit 1 (PIK3R1), transcript variant 2, mRNA, Phosphatidylinositol 3-kinase regulatory subunit alpha, phosphatidylinositol 3-kinase regulatory subunit alpha isoform 2 [Homo sapiens]... |
| Molecular Weight           | 53.3 kDa                                                                                                                                                                                                                                     |
| Tag                        | C-MYC/DDK                                                                                                                                                                                                                                    |
