## Product Datasheet

### **NLS-NgAgo-pCDNA3.1** **EBT-ELKP397**

|                            |                                                                                                                                                   |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | NLS-NgAgo-pCDNA3.1                                                                                                                                |
| Biozol Catalog Number      | EBT-ELKP397                                                                                                                                       |
| Supplier Catalog Number    | ELKP397                                                                                                                                           |
| Alternative Catalog Number | EBT-ELKP397-1                                                                                                                                     |
| Manufacturer               | ELK Biotechnology                                                                                                                                 |
| Category                   | Molekularbiologie                                                                                                                                 |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : DH5alpha. Spot(Carrier/Vector): mammalian cells, gene editing |
