## Product Datasheet

### UBP12 rabbit pAb, Rabbit, Polyclonal EBT-ES10411

|                            |                                                                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | UBP12 rabbit pAb, Rabbit, Polyclonal                                                                                                 |
| Biozol Catalog Number      | EBT-ES10411                                                                                                                          |
| Supplier Catalog Number    | ES10411                                                                                                                              |
| Alternative Catalog Number | EBT-ES10411-50, EBT-ES10411-100                                                                                                      |
| Manufacturer               | ELK Biotechnology                                                                                                                    |
| Host                       | Rabbit                                                                                                                               |
| Category                   | Antikörper                                                                                                                           |
| Application                | ELISA, WB                                                                                                                            |
| Species Reactivity         | Human, Mouse                                                                                                                         |
| Immunogen                  | Synthesized peptide derived from part region of human protein                                                                        |
| Product Description        | catalytic activity:Ubiquitin C-terminal thioester + H(2)O = ubiquitin + a thiol.,similarity:Belongs to the peptidase C19 family.,... |
| Clonality                  | Polyclonal                                                                                                                           |
| Concentration              | 1 mg/ml                                                                                                                              |
| Molecular Weight           | 40kD                                                                                                                                 |
| NCBI                       | <a href="#">219333</a>                                                                                                               |
| UniProt                    | <a href="#">O75317</a>                                                                                                               |
| Application Dilute         | WB 1:500-2000 ELISA 1:5000-20000                                                                                                     |
