| Manufacturer               | ELK Biotechnology                                                                                                                                                                                                                                             |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, WB                                                                                                                                                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                  | Synthesized peptide derived from the N-terminal region of human FBP2.                                                                                                                                                                                         |
| Product Description        | The KHSRP gene encodes a multifunctional RNA-binding protein implicated in a variety of cellular processes, including transcription, alternative pre-mRNA splicing, and mRNA localization (Min et al., 1997 [PubMed 9136930], Gherzi et al., 2004 [PubMed ... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molecular Weight           | 73kD                                                                                                                                                                                                                                                          |
| NCBI                       | <a href="#">8570</a>                                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">Q92945</a>                                                                                                                                                                                                                                        |

Application Dilute

Western Blot: 1/500 - 1/2000. ELISA: 1/10000. Not yet tested in other applications.
