| Manufacturer               | ELK Biotechnology                                                                                                                                                                                                                                             |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, IF, IHC, WB                                                                                                                                                                                                                                            |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from the Internal region of human INPPL1. AA range:351-400                                                                                                                                     |
| Product Description        | The protein encoded by this gene is an SH2-containing 5-inositol phosphatase that is involved in the regulation of insulin function. The encoded protein also plays a role in the regulation of epidermal growth factor receptor turnover and actin remode... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molecular Weight           | 130kD                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">3636</a>                                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">O15357</a>                                                                                                                                                                                                                                        |

|                    |                                                                                                      |
|--------------------|------------------------------------------------------------------------------------------------------|
| Application Dilute | Western Blot: 1/500 - 1/2000. IHC-p: 1:100-300 ELISA: 1/20000. Not yet tested in other applications. |
