## Product Datasheet

**pNO40 rabbit pAb, Rabbit, Polyclonal**  
**EBT-ES6528**

|                            |                                                                                                                                                                |

| Article Name               | pNO40 rabbit pAb, Rabbit, Polyclonal                                                                                                                           |
| Biozol Catalog Number      | EBT-ES6528                                                                                                                                                     |
| Supplier Catalog Number    | ES6528                                                                                                                                                         |
| Alternative Catalog Number | EBT-ES6528-50, EBT-ES6528-100                                                                                                                                  |
| Manufacturer               | ELK Biotechnology                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                     |
| Application                | ELISA, IF, IHC                                                                                                                                                 |
| Species Reactivity         | Human, Mouse                                                                                                                                                   |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from human ZCCHC17. AA range:51-100                                                             |
| Product Description        | similarity:Contains 1 CCHC-type zinc finger.,similarity:Contains 1 S1 motif domain.,subunit:Interacts with PNN. Associates with the 60S ribosomal subunit.,... |
| Clonality                  | Polyclonal                                                                                                                                                     |
| Concentration              | 1 mg/ml                                                                                                                                                        |
| NCBI                       | <a href="#">51538</a>                                                                                                                                          |
| UniProt                    | <a href="#">Q9NP64</a>                                                                                                                                         |
| Application Dilute         | Immunohistochemistry: 1/100 - 1/300. ELISA: 1/20000. Not yet tested in other applications.                                                                     |
