| Alternative Catalog Number | EBT-ES7795-50, EBT-ES7795-100                                                                                                                                              |
| Manufacturer               | ELK Biotechnology                                                                                                                                                          |
| Host                       | Rabbit                                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                                 |
| Application                | ELISA, IF, IHC                                                                                                                                                             |
| Species Reactivity         | Human, Mouse                                                                                                                                                               |
| Immunogen                  | Synthesized peptide derived from RERG . at AA range: 70-150                                                                                                                |
| Product Description        | RERG, a member of the RAS superfamily of GTPases, inhibits cell proliferation and tumor formation (Finlin et al., 2001 [PubMed 11533059]).[supplied by OMIM, Mar 2009],... |
| Clonality                  | Polyclonal                                                                                                                                                                 |
| Concentration              | 1 mg/ml                                                                                                                                                                    |
| NCBI                       | <a href="#">85004</a>                                                                                                                                                      |
| UniProt                    | <a href="#">Q96A58</a>                                                                                                                                                     |
| Application Dilute         | Immunohistochemistry: 1/100 - 1/300. ELISA: 1/5000. Not yet tested in other applications.                                                                                  |
