| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, WB                                                                                                                                                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                  | Synthesized peptide derived from Nopp140 . at AA range: 620-700                                                                                                                                                                                               |
| Product Description        | function:Related to nucleologenesis, may play a role in the maintenance of the fundamental structure of the fibrillar center and dense fibrillar component in the nucleolus. It has intrinsic GTPase and ATPase activities. May play an important role in ... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molecular Weight           | 74,130KD(Nucleolar phosphoprotein p130)                                                                                                                                                                                                                       |
| NCBI                       | <a href="#">9221</a>                                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">Q14978</a>                                                                                                                                                                                                                                        |

|                    |                                                                                     |
|--------------------|-------------------------------------------------------------------------------------|
| Application Dilute | Western Blot: 1/500 - 1/2000. ELISA: 1/40000. Not yet tested in other applications. |
