## Product Datasheet

### Carboxylesterase 7 (CES5A) (NM\_145024) Human Recombinant Protein BOB-PROTQ6NT32

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | Carboxylesterase 7 (CES5A) (NM_145024) Human Recombinant Protein                |
| Biozol Catalog Number      | BOB-PROTQ6NT32                                                                  |
| Supplier Catalog Number    | PROTQ6NT32                                                                      |
| Alternative Catalog Number | BOB-PROTQ6NT32-20UG                                                             |
| Manufacturer               | Boster Bio                                                                      |
| Category                   | Proteine/Peptide                                                                |
| Product Description        | Recombinant protein of human carboxylesterase 7 (CES7), transcript variant 2... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                |
| Molecular Weight           | 58 kDa                                                                          |
| Tag                        | C-Myc/DDK                                                                       |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                            |
| Source                     | HEK293T                                                                         |
| Form                       | Frozen Solution in PBS Buffer                                                   |
