## Product Datasheet

### **N-(13-Chloroacetamido-4,7,10-trioxatridecanyl)-N-methyl-N-tert-butoxycarbonyl-glycinamide, CAS [[1330190-01-6]] USB-006051**

|                            |                                                                                                                        |
|----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Article Name               | N-(13-Chloroacetamido-4,7,10-trioxatridecanyl)-N-methyl-N-tert-butoxycarbonyl-glycinamide, CAS [[1330190-01-6]]        |
| Biozol Catalog Number      | USB-006051                                                                                                             |
| Supplier Catalog Number    | 006051                                                                                                                 |
| Alternative Catalog Number | USB-006051-2.5                                                                                                         |
| Manufacturer               | US Biological                                                                                                          |
| Category                   | Biochemikalien                                                                                                         |
| Product Description        | Reagent used in the preparation of bioaffinity labels. Form: Yellow Oil<br>Solubility: Chloroform, Dichloromethane,... |
| Molecular Weight           | 467.98                                                                                                                 |
| Form                       | Yellow Oil                                                                                                             |
| CAS Number                 | [1330190-01-6]                                                                                                         |
