| Article Name               | (2R,3aS,7aR)-1-[(2S)-2-[(1S)-1-(Ethoxycarbonyl)-3-phenylpropyl]amino]-1-oxopropyl]octahydro-1H-indole-2-carboxylic Acid, CAS [[852921-57-4]]      |
| Biozol Catalog Number      | USB-011464                                                                                                                                        |
| Supplier Catalog Number    | 011464                                                                                                                                            |
| Alternative Catalog Number | USB-011464-50                                                                                                                                     |
| Manufacturer               | US Biological                                                                                                                                     |
| Category                   | Biochemikalien                                                                                                                                    |
| Product Description        | Side product in the preparation of Trandolapril. Form: Beige Gummy Solid Solubility: Chloroform, Dichloromethane, Dimethyl Sulfoxide, Methanol... |
| Molecular Weight           | 430.54                                                                                                                                            |
| Form                       | Beige Gummy Solid                                                                                                                                 |
| CAS Number                 | [852921-57-4]                                                                                                                                     |
