| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | WB                                                                                                                                                                                                                                                            |
| Immunogen                  | Full length human DUSP9, aa1-384 (AAH60837.1).                                                                                                                                                                                                                |
| Product Description        | DUSP9 is a member of the dual specificity protein phosphatase subfamily. These phosphatases inactivate their target kinases by dephosphorylating both the phosphoserine/threonine and phosphotyrosine residues. They negatively regulate members of the mi... |
| NCBI                       | <a href="#">060837</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |
| Form                       | Supplied as a liquid in PBS, pH 7.2.                                                                                                                                                                                                                          |
