## Product Datasheet

### **PVRL3 (Poliovirus Receptor-related Protein 3, CDw113, Nectin-3, CD113, PRR3) (HRP), Clone: [1D1], Mouse, Monoclonal USB-132109-HRP**

|                            |                                                                                                                                                                                                                                                               |

| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                  | Partial recombinant corresponding to aa59-167 from human PVRL3 (NP_056295) with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                     |
| Product Description        | Nectins are immunoglobulin-like adhesion molecules that interact with afadin. Afadin is an actin filament-binding protein that connects nectins to the actin cytoskeleton. The nectin-afadin system organizes adherens junctions cooperatively with the ca... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [1D1]                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">015480</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |

|      |                                                                                                        |
|------|--------------------------------------------------------------------------------------------------------|
| Form | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with horseradish peroxidase (HRP). |
