| Manufacturer               | US Biological                                                                                                                                                                                                                                                                                                    |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                                   |
| Product Description        | CCT241533 is an inhibitor of checkpoint kinase 2, which is a potential antitumor and radioprotectant. Molecular Formula: C <sub>23</sub> H <sub>27</sub> FN <sub>4</sub> O <sub>4</sub> Molecular Weight: 442.48 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the origin... |
| Molecular Weight           | 442.48                                                                                                                                                                                                                                                                                                           |
