| Manufacturer               | US Biological                                                                                                                                                                                                                                                                                                          |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                                         |
| Product Description        | Merocyanine 540 is a fluorescent axonal stain. Molecular Formula: C <sub>26</sub> H <sub>33</sub> N <sub>3</sub> NaO <sub>6</sub> S <sub>2</sub> Molecular Weight: 570.6799999999995 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
