| Manufacturer               | Boster Bio                                                                                                                                                                                                                      |
| Category                   | Proteine/Peptide                                                                                                                                                                                                                |
| Application                | SDS-PAGE                                                                                                                                                                                                                        |
| Product Description        | Human recombinant ULBP-6/RAET1L Protein protein expressed in Baculovirus with His-Tag. Sequence domain: 26-218aa.<br>Application(s): SDS-PAGE, Bioactivity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 1mg/ml (determined by Absorbance at 280nm)                                                                                                                                                                                      |
| Tag                        | His-Tag                                                                                                                                                                                                                         |
| UniProt                    | <a href="#">Q5VY80</a>                                                                                                                                                                                                          |
| Buffer                     | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                                                                                                      |
