| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                       |
| Product Description        | SR 12813 is a pregnane X receptor (PXR, NR 112) agonist. Molecular Formula: C <sub>24</sub> H <sub>42</sub> O <sub>7</sub> P <sub>2</sub> Molecular Weight: 504.53 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 504.53                                                                                                                                                                                                                                                                                               |
