## Product Datasheet

### N-Methylmorpholine N-oxide, CAS [[7529-22-8]] USB-281750

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | N-Methylmorpholine N-oxide, CAS [[7529-22-8]]                            |
| Biozol Catalog Number      | USB-281750                                                               |
| Supplier Catalog Number    | 281750                                                                   |
| Alternative Catalog Number | USB-281750-250, USB-281750-500, USB-281750-1, USB-281750-2, USB-281750-5 |
| Manufacturer               | US Biological                                                            |
| Category                   | Biochemikalien                                                           |
| Product Description        | CAS Number: 7529-22-8 Molecular Formula: C5H11NO2...                     |
| Purity                     | As reported                                                              |
| Form                       | 50% w/w aqueous solution                                                 |
| CAS Number                 | [7529-22-8]                                                              |
