| Manufacturer               | US Biological                                                                                                                                                                                                                                                                                     |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                    |
| Product Description        | 1-Butyl-3-(trifluoromethyl)pyrazole-5-carboxaldehyde Molecular Formula: C <sub>9</sub> H <sub>11</sub> F <sub>3</sub> N <sub>2</sub> O Molecular Weight: 220.19 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 220.19                                                                                                                                                                                                                                                                                            |
