| Article Name               | Anti-ADORA2A Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                                       |
| Biozol Catalog Number      | BOB-A02268-2-FITC                                                                                                                                                                        |
| Supplier Catalog Number    | A02268-2-FITC                                                                                                                                                                            |
| Alternative Catalog Number | BOB-A02268-2-FITC-100UG                                                                                                                                                                  |
| Manufacturer               | Boster Bio                                                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                                                               |
| Application                | FC                                                                                                                                                                                       |
| Species Reactivity         | Human, Mouse                                                                                                                                                                             |
| Immunogen                  | E.coli-derived human ADORA2A recombinant protein (Position: N144-G410). Human ADORA2A shares 76.8% and 75.3% amino acid (aa) sequence identity with mouse and rat ADORA2A, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                               |
| Molecular Weight           | Calculated Molecular Weight: 45 kDa                                                                                                                                                      |
| NCBI                       | <a href="#">135</a>                                                                                                                                                                      |
| UniProt                    | <a href="#">P29274</a>                                                                                                                                                                   |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                              |
| Purity                     | Immunogen affinity purified.                                                                                                                                                             |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Adenosine receptor A2a                        |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
