| Alternative Catalog Number | USB-302164-200                                                                                                                                                                                                                                                |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Category                   | Molekularbiologie                                                                                                                                                                                                                                             |
| Product Description        | A neuropeptide as a direct angiogenic cytokines Source: aa571-584, Rat Molecular Weight: ~1510.78 Sequence: Ile-Pro-Ala-Gly-Ser-Leu-Lys-Asn-Glu-Asp-Thr-Pro-Asn-Arg Storage and Stability: Lyophilized powder may be stored at -20C. Stable for 12 months ... |
| Molecular Weight           | 1510.78                                                                                                                                                                                                                                                       |
| Purity                     | ~95% (HPLC)                                                                                                                                                                                                                                                   |
| Form                       | Supplied as a white powder.                                                                                                                                                                                                                                   |
