| Alternative Catalog Number | USB-427320-100, USB-427320-250                                                                                                                                                                                                                                                          |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                                           |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                          |
| Product Description        | 3,5-Dichloro-4-isopropoxyphenylboronic acid Molecular Formula: C <sub>9</sub> H <sub>11</sub> BCl <sub>2</sub> O <sub>3</sub> Molecular Weight: 248.9 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 248.9                                                                                                                                                                                                                                                                                   |
| CAS Number                 | [1218790-62-5]                                                                                                                                                                                                                                                                          |
