| Alternative Catalog Number | USB-431717-25, USB-431717-50                                                                                                                                                                                                                                                               |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                                              |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                             |
| Product Description        | 4-Chloro-5-fluoro-1h-pyrrolo[2,3-b]pyridine-6-carbaldehyde Molecular Formula: C <sub>8</sub> H <sub>4</sub> ClFN <sub>2</sub> O Molecular Weight: 198.58 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 198.58                                                                                                                                                                                                                                                                                     |
