| Manufacturer               | US Biological                                                                                                                                                                                                                                                                                               |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                              |
| Product Description        | 5-Acetyl-2-fluorophenylboronic acid, pinacol ester Molecular Formula: C <sub>14</sub> H <sub>18</sub> BF <sub>3</sub> O <sub>3</sub> Molecular Weight: 264.10000000000002 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 264.1                                                                                                                                                                                                                                                                                                       |
