| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, IF, WB                                                                                                                                                                                                                                                 |
| Immunogen                  | Synthetic peptide corresponding to 12aa near the C-terminal of human TMPRSS2, located within 50aa of TMPRSS2. Species sequence homology: monkey (100%), gorilla (100%), feline (92%)                                                                          |
| Product Description        | TMPRSS2 is a plasma membrane-anchored serine protease that participates in proteolytic cascades of relevance for the normal physiologic function of the prostate. Androgen-induced TMPRSS2 activates several substrates that include pro-hepatocyte growth... |
| UniProt                    | <a href="#">O15393</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Form                       | Supplied as a liquid in PBS, 0.02% sodium azide.                                                                                                                                                                                                              |
