| Supplier Catalog Number    | C5062-02D                                                                                                                                                                                                                                                     |
| Alternative Catalog Number | USB-C5062-02D-1                                                                                                                                                                                                                                               |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                  | Choline oxidase isolated and purified from Athrobacter globiformis                                                                                                                                                                                            |
| Product Description        | Applications: Suitable for use in ELISA, Western Blot, Immunoelectrophoresis, Single Radial Immunodiffusion and Inhibition. Other applications not tested. Recommended Dilution: Optimal dilutions to be determined by the researcher. Storage and Stabili... |
| Purity                     | Purified affinity chromatography.                                                                                                                                                                                                                             |
| Form                       | Supplied as a lyophilized powder from PBS, pH 7.2, dextran. Reconstitute in 500ul sterile ddH2O. Dilute further in PBS, pH 7.2.                                                                                                                               |
