| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, IHC, IP, WB                                                                                                                                                                                                                                            |
| Immunogen                  | Mouse IgG2b gamma 2b chain                                                                                                                                                                                                                                    |
| Product Description        | Applications: Suitable for use in ELISA, Western Blot, Immunohistochemistry, Immunoprecipitation, Immunodifusion and Conjugation. Other applications not tested. Recommended Dilution: ELISA: 1:20,000-1:100,000 Western Blot: 1:2000-1:10,000 Optimal dil... |
| Isotype                    | IgG2b                                                                                                                                                                                                                                                         |
| Purity                     | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Form                       | Supplied as a liquid in PBS, pH 7.2, 0.01% sodium azide. No stabilizing protein added.                                                                                                                                                                        |
