### Dual Luciferase Reporter Gene Assay Kit ASC-KTA8010

Article Name	Dual Luciferase Reporter Gene Assay Kit
Biozol Catalog Number	ASC-KTA8010
Supplier Catalog Number	KTA8010
Alternative Catalog Number	ASC-KTA8010-100, ASC-KTA8010-1000
Manufacturer	Abbkine Scientific
Category	Kits/Assays
Product Description	Dual Luciferase Reporter Gene Assay...
Tag	Dual Luciferase Reporter Gene Assay
Application Notes	Usually, the Transcriptional regulation element or 5-promoter region of the gene of interest is cloned upstream of Luciferase, or the 3-UTR region is cloned downstream of Luciferase to construct a Reporter gene plasmid, and then transfet the cell, treat the cell with appropriate drugs, and then Lytic cells. The Transcriptional regulation effect of drug treatment on the target gene is judged by detecting the activity of Luciferase.
