TraKine(TM) F-actin Staining Kit (Orange Fluorescence) ASC-KTC4009

Article Name	TraKine(TM) F-actin Staining Kit (Orange Fluorescence)
Biozol Catalog Number	ASC-KTC4009
Supplier Catalog Number	KTC4009
Alternative Catalog Number	ASC-KTC4009-50, ASC-KTC4009-300, ASC-KTC4009-1000
Manufacturer	Abbkine Scientific
Category	Kits/Assays
Product Description	Abbkine TraKine(TM) F-actin Staining Kit (Orange Fluorescence) is designed to label F-actins in fixed cells with orange fluorescence....
Tag	F-actin
Application Notes	Abbkine TraKine(TM) F-actin Staining Kit (Orange Fluorescence) uses a orange fluorescent (Ex/Em=593nm/614nm) phalloidin conjugate selectively bound to F-actins, it is much higher photostability than other the fluorescein-phalloidin conjugates. Phalloidin derivatives are convenient probes for labeling, identifying and quantitating F-actins in formaldehyde-fixed and permeabilized tissue sections, which can stain F-actins in cell cultures or cell-free experiments at nanomolar levels.
