Product Datasheet

Human Vitamin C (VC) ELISA Kit ASC-KTE60069

Article Name	Human Vitamin C (VC) ELISA Kit
Biozol Catalog Number	ASC-KTE60069
Supplier Catalog Number	KTE60069
Alternative Catalog Number	ASC-KTE60069-48, ASC-KTE60069-96
Manufacturer	Abbkine Scientific
Category	Kits/Assays
Application	ELISA
Species Reactivity	Human
Product Description	This Human Vitamin C (VC) ELISA Kit employs a two-site sandwich ELISA to quantitate VC....
Range	Please inquire
Sensitivity	Please inquire
Tag	VC
Samples	Cell culture supernatantsSerumPlasmaOther biological fluids

Application Notes	<p>This Human Vitamin C (VC) ELISA Kit employs a two-site sandwich ELISA to quantitate VC in samples. An antibody specific for VC has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any VC present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for VC is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of VC bound in the initial step. The color development is stopped and the intensity of the color is measured.</p>
