Product Datasheet

Human Ski-like protein (SKIL) ELISA Kit ASC-KTE60648

Article Name	Human Ski-like protein (SKIL) ELISA Kit
Biozol Catalog Number	ASC-KTE60648
Supplier Catalog Number	KTE60648
Alternative Catalog Number	ASC-KTE60648-48, ASC-KTE60648-96
Manufacturer	Abbkine Scientific
Category	Kits/Assays
Application	ELISA
Species Reactivity	Human
Product Description	This Human Ski-like protein (SKIL) ELISA Kit employs a two-site sandwich ELISA to quantitate SKIL....
Range	Please inquire
Sensitivity	Please inquire
Tag	SKIL
NCBI	6498
UniProt	P12757
Samples	Cell culture supernatantsSerumPlasmaOther biological fluids

Application Notes

This Human Ski-like protein (SKIL) ELISA Kit employs a two-site sandwich ELISA to quantitate SKIL in samples. An antibody specific for SKIL has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any SKIL present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for SKIL is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of SKIL bound in the initial step. The color development is stopped and the intensity of the color is measured.
