## Product Datasheet

### Human L-Selectin (SELL) ELISA Kit ASC-KTE60719

Article Name	Human L-Selectin (SELL) ELISA Kit
Biozol Catalog Number	ASC-KTE60719
Supplier Catalog Number	KTE60719
Alternative Catalog Number	ASC-KTE60719-48, ASC-KTE60719-96
Manufacturer	Abbkine Scientific
Category	Kits/Assays
Application	ELISA
Species Reactivity	Human
Product Description	This Human L-Selectin (SELL) ELISA Kit employs a two-site sandwich ELISA to quantitate SELL....
Range	Please inquire
Sensitivity	Please inquire
Tag	SELL
NCBI	<a href="#">6402</a>
UniProt	<a href="#">P14151</a>
Samples	Cell culture supernatantsSerumPlasmaOther biological fluids

Application Notes

This Human L-Selectin (SELL) ELISA Kit employs a two-site sandwich ELISA to quantitate SELL in samples. An antibody specific for SELL has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any SELL present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for SELL is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of SELL bound in the initial step. The color development is stopped and the intensity of the color is measured.
