Product Datasheet

Human Prolactin-releasing hormone (PRH) ELISA Kit ASC-KTE61143

Article Name	Human Prolactin-releasing hormone (PRH) ELISA Kit
Biozol Catalog Number	ASC-KTE61143
Supplier Catalog Number	KTE61143
Alternative Catalog Number	ASC-KTE61143-48, ASC-KTE61143-96
Manufacturer	Abbkine Scientific
Category	Kits/Assays
Application	ELISA
Species Reactivity	Human
Product Description	This Human Prolactin-releasing hormone (PRH) ELISA Kit employs a two-site sandwich ELISA to quantitate PRLH....
Range	Please inquire
Sensitivity	Please inquire
Tag	PRLH
NCBI	51052
UniProt	P81277
Samples	Cell culture supernatantsSerumPlasmaOther biological fluids

Application Notes

This Human Prolactin-releasing hormone (PRH) ELISA Kit employs a two-site sandwich ELISA to quantitate PRLH in samples. An antibody specific for PRLH has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any PRLH present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for PRLH is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of PRLH bound in the initial step. The color development is stopped and the intensity of the color is measured.
