Product Datasheet

Human Platelet-derived growth factor receptor-like protein (PDGFRL) ELISA Kit ASC-KTE61267

Article Name	Human Platelet-derived growth factor receptor-like protein (PDGFRL) ELISA Kit
Biozol Catalog Number	ASC-KTE61267
Supplier Catalog Number	KTE61267
Alternative Catalog Number	ASC-KTE61267-48, ASC-KTE61267-96
Manufacturer	Abbkine Scientific
Category	Kits/Assays
Application	ELISA
Species Reactivity	Human
Product Description	This Human Platelet-derived growth factor receptor-like protein (PDGFRL) ELISA Kit employs a two-site sandwich ELISA to quantitate PDGFRL....
Range	Please inquire
Sensitivity	Please inquire
Tag	PDGFRL
NCBI	5157
UniProt	Q15198
Samples	Cell culture supernatantsSerumPlasmaOther biological fluids

Application Notes

This Human Platelet-derived growth factor receptor-like protein (PDGFRL) ELISA Kit employs a two-site sandwich ELISA to quantitate PDGFRL in samples. An antibody specific for PDGFRL has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any PDGFRL present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for PDGFRL is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of PDGFRL bound in the initial step. The color development is stopped and the intensity of the color is measured.
